

STANDARD EQUIPMENT HIGHLIGHTS.

i8

- 20" light alloy BMW i Turbine-spoke style 444
- 20GB hard disc drive memory
- Adaptive LED Headlights
- Ambient interior lighting
- Armrest, front
- Automatic air conditioning with auxiliary function and extended features
- Auxiliary input for auxiliary playing devices
- Black brake calipers
- Carbon-fibre reinforced plastic (CFRP) roof
- Child seat ISOFIX attachment, two in rear
- Control display – 8.8"
- ConnectedDrive Services comprising:
 - BMW Apps
 - BMW Emergency Call
 - BMW TeleServices
 - BMW Online Services
 - Real Time Traffic Information
 - Information Plus
 - Remote Services
- Cruise control with braking function
- DAB digital radio
- Dihedral doors
- Drive Performance Control with ECO PRO and Comfort modes
- eDrive mode for pure electric driving
- Electric motor, front, with two-speed transmission
- Electric Power Steering
- Electro-mechanical parking brake
- Enhanced Bluetooth telephone preparation with USB audio interface and Voice Control
- Extended storage
- Exterior mirrors – folding, automatically dimming
- Fuel tank, 42 litres
- Head-up Display including telephone and entertainment lists
- iDrive Touch Controller with shortcut buttons
- Instrument panel, leather
- Interior and exterior mirrors with automatic anti-dazzle function
- Interior trim, Amido metallic
- Interior world, Neso
- Loudspeaker system – BMW Advanced
- Mobility kit
- Mobility tyre sealing system
- Multi-function controls for steering wheel
- Multi-functional Instrument panel
- Navigation system – BMW Professional Multimedia
- Park Distance Control (PDC) front and rear
- Petrol engine, rear, with six-speed automatic transmission and Sport mode
- Power sockets, 12V, two
- Rain sensor with automatic headlight activation
- Seat adjustment – front, electric
- Seat heating, front
- Sophisto Grey metallic paintwork with contrast accent
- Sport multi-function leather steering wheel with gearshift paddles, Black with Satin Silver accent
- Tailgate release button
- Tyre Pressure Monitor
- Variable Damper Control
- Velour floor mats, Anthracite
- Welcome lights, LED
- Windows, heat-insulated, green tinted all round
- Windscreen washer jets, heated

STANDARD EQUIPMENT.

i8

Petrol Engine

BMW TwinPower Turbo three-cylinder in-line petrol engine

High-precision direct injection

VALVETRONIC

High performance turbocharging system

EU6 emissions management

Fuel filler flap, rear, right

Electric Motor and Battery

2.4 kW / 10A AC charging

Standard charge cable, 5 metres in length

Electric motor

360V DC

Cooling circuit

Li-Ion Battery, 7.1kWh gross / 5.1 kWh available

Radiator, aluminium

96 cells: 6 modules with 16 cells, 2 levels

Nominal voltage: 355.2V

Storage Management Electronics (SME) including insulation monitoring

Fast charging AC capability:

Max. power (grid side): 3.7 kW (16 A)

Charging time: <2 hours, 0-80% SoC

AC plug: type 2

Flap in front side panel, left

Illuminated charging socket with visual display of charge status

Red: Error

Amber: Initialisation

Green: Fully charged

Blue: Charging

White: illumination of charge socket (vehicle not connected)

Electronic display of drivetrain information and battery range and temperature

Transmission

Hybrid-specific all-wheel drive

Combustion engine driving the rear wheels

Electric motor driving the front wheels

Petrol engine, located at the rear axle:

Six-speed automatic transmission

Electric gearchange actuator

Electric transmission oil pump

Electric motor, located at the front axle:

Two-speed transmission

Electro-mechanical actuator

Wheels and chassis

20" BMW i Turbine-spoke style 444 alloy wheels with mixed tyres

Brake callipers, Black

Brake-pad wear indicator

Disc brakes – front and rear, lightweight, ventilated

Double-wishbone suspension, front

Drive Performance Control with ECO PRO and Comfort modes

eDrive mode for pure electric driving

Electric Power Steering (EPS)

Electro-mechanical parking brake

Mobility tyre sealing system

Multi-link suspension, rear

Sport mode

Tyre Pressure Monitor

Variable Damper Control (VDC)

Safety and technology

Adaptive LED Headlights

Airbags comprising:

Crash sensor activating central locking release, hazard warning lights, 12v and HV battery

safety cut-off, and interior lighting

Driver, front passenger, front and side

Impact-dependent airbag system (ID airbags), driver and front passenger

Passenger seat airbag deactivation, front

Passenger seat occupancy sensor, front

Head airbags, all four seats

Alarm system (Thatcham 1) with remote control and engine immobiliser

Check control warning system

Condition Based Servicing (CBS)

Cruise control with brake function

Deformation zones – front and rear, that can absorb impacts of up to 9.5 mph. Bumpers absorb impacts up to 2.5 mph without damage

Dynamic Brake Lights with LED technology

Dynamic Stability Control comprising:

- Anti-lock Braking System (ABS)
- Brake drying
- Brake fade compensation
- Brake pre-tensioning
- Cornering Brake Control (CBC)
- Dynamic Brake Control (DBC)
- Dynamic Traction Control (DTC)
- Electronic Brake-force Distribution (EBD)
- Hill-start assistant

First Aid kit and warning triangle

Head restraints – front, integrated in the seat backrest, fixed

Keyless starting of engine ignition

Locking wheel bolts

On-Board Diagnosis (OBD)

Park Distance Control (PDC), front and rear

Rain sensor with automatic headlight activation

Seat belts – front, with automatic tensioner,
linear belt force limiter and belt restrainer, Black

Seat belts – rear, two with automatic tensioner and belt force
limiter, Black

Twin horns

Windscreen washer jets, heated

Seats

BMW i Spheric leather upholstery, Carum Grey with Sitka cloth accent

Child seat ISOFIX attachment, two in rear

Four seat configuration

Seat heating, front

Seats – front, electric adjustment

Exterior equipment

BMW roundel with BMW i Blue surround, front and rear

Bonnet, Aluminium with V-belt styling in two-tone High-gloss Black
and body colour

Carbon-fibre reinforced plastic (CFRP) roof

Dihedral doors, Aluminium exterior with Carbon-fibre composite
interior construction

Direction indicator, side repeaters, integrated in exterior mirrors

Exhaust tailpipes – two, 75mm

Exterior mirror housing in body colour, mirror surround & top part of
mirror housing in High-gloss Black

Exterior mirrors – aspheric, heated, with electric adjustment

Exterior mirrors – folding, automatically dimming

Kidney grilles, partially closed with contrast surround and High-gloss
Black centre

Model designation, eDrive, rear left

Model designation, i8, rear right

Sophisto Grey metallic paintwork with contrast accent

Interior equipment

Armrest – front, centre with storage compartment

Air conditioning, automatic with two-zone control, auxiliary function
and extended features

Ambient interior lighting

Auxiliary air conditioning

Coat hooks, rear, left and right

Cup holder – one, centre console in front of storage compartment

Cup holders – two centre console behind storage compartment

Electric windows – front with open/close fingertip control, anti-trap
facility and comfort closing

Floor mats, velour

Fogging sensor, front windscreen

Footwell lights, front

Glove box

Instrument panel, leather

Interior trim, Amido metallic

Interior World, Neso

Luggage compartment comprising:

Compartment with electric unlocking via the key's remote control

Luggage compartment release button in driver's door switch cluster

Removable luggage compartment cover

Power socket, one 12V in small folding compartment in centre console

Power socket, one 12V under instrument panel on passenger's side

Reading lights, front, LED

Rear-view mirror, automatically dimming

Sport multi-function leather steering wheel with gearshift paddles,
Black with Satin Silver accent

Start-Stop button

Steering column, adjustable

Storage net in passenger footwell, front

Storage pockets on seat backrests

Sun visors with integrated vanity mirrors

Tailgate, release button in driver's door switch cluster

Welcome lights, LED

Windows – heat-insulated, green-tinted all round

Audio & communication

20GB hard disc drive (HDD) memory

Auxiliary input for auxiliary playing devices

BMW ConnectedDrive Services comprising:

- BMW Apps

- BMW Emergency Call

- BMW Online Services

- BMW TeleServices

- Information Plus

- Real Time Traffic Information

- Remote Services

BMW Professional radio without CD player

Control Display – 8.8" high-resolution flat screen colour display

DAB digital radio

Enhanced Bluetooth telephone preparation with USB audio interface and Voice Control

Favourite buttons

Head-up Display including telephone and entertainment lists

iDrive Touch Controller with shortcut buttons

Loudspeaker system – BMW Advanced

- 7 channels, 5 x 25 watts / 2 x 40 watts digital

- Digital Sound Processing

- One woofer in the rear bench seat backrest

- Two midrange speakers in the door trims

- One midrange speaker in the instrument panel

- Two midrange speakers in the C-pillar trim

Multi-functional instrument panel

Navigation system – BMW Professional Multimedia

On-Board Computer (OBC) comprising:

- Average speed

- Clock

- Fuel consumption and range

- Journey computer

- Outside temperature display

Personal Profile
